

## An expert in the Prague residential market is joining one of the world's leading real estate agents.

**LEXXUS**

**savills**

An International Associate of Savills

**Dear Sir / Dear Madam,**

based on our long-term cooperation, we would like to inform you that we launch cooperation with Savills. This unique combination of international real estate advisor and leading local real estate agency will provide a full spectrum of services in this dynamic segment of the Czech market.

Savills and LEXXUS have entered a full association agreement, whereby Savills as one of the world's leading real estate advisors with the power of its global brand will combine its efforts with LEXXUS and its unrivalled local position as the leading residential real estate advisor.

We are honoured to join the international network of Savills as a principal global real estate advisor and look forward to securing business opportunities together in the rapidly developing local and international residential property market. Czech high net worth individuals are frequently looking for investment opportunities in the principal European capitals and vacation locations and our partnership with Savills will enable us to provide the highest standard of premium residential advisory directly from our Prague office.

**Stuart Jordan**

*Managing Director and Head of Investment at Savills says:*

“We have been examining the possibilities to expand our service offer to the residential sector, where we are very strong internationally. We analysed the local market to identify the partner with the highest level of expertise and a reputation to match, LEXXUS was the obvious choice. Bringing together a leading global real estate advisor with a leading local real estate agency will create a best-in-class services provider, opening up opportunities in the Czech Republic not present before.”

**Peter Višňovský**

*Director at LEXXUS:*

“Further the global reach of Savills will be an attractive proposition for our developers and owners and will add additional value to the service we provide.”

**About Savills:**

Savills is a global real estate services provider listed on the London Stock Exchange. Savills operates from over 600 owned and associate offices, employing more than 35,000 people in over 60 countries throughout the Americas, the UK, Europe, Asia Pacific, Africa and the Middle East, offering a broad range of specialist advisory, management and transactional services to clients all over the world.

In the Czech Republic, Savills has been present since 2017. It has built a full service office in Prague employing over 50 staff covering the sectors of investment advisory, valuation, leasing agency, property management, building and project consultancy and research. It covers major commercial property sectors such as offices, industrial and retail as well as so called alternatives such as leisure, hotels, co-living and student accommodation.
