Peter Višňovský was appointed Sales Director of LEXXUS a.s.

Prague, January 15, 2008 – Real-estate company LEXXUS a.s., the leader in sales of new housing projects, announced the appointment of its new Sales Director. Considering the company's long-term growth plans, Peter Višňovský will assume the Sales Director position. He has held various positions in the company since 2001, most recently as Sales Manager of LEXXUS New Home Center – the division of new housing projects. In his new role, Peter will be responsible for sales leadership of LEXXUS a.s., particularly the development of business relations with key clients and continuous strengthening of the company's number one position on Prague's real-estate market. Furthermore, he will be entrusted with some new tasks related to upcoming expansion of LEXXUS to Eastern markets.

Peter Višňovský graduated from the Faculty of Law of the Charles University in Prague. He has been in the real-estate market for 7 years. He started his career in the real-estate industry in LEXXUS, a.s., starting as real-estate agent and since 2002 working as project manager. He held his previous role of the Sales Manager of LEXXUS New Home Center – the division of new housing projects – since 2006.

Peter Višňovský is single and prefers to spend his time travelling and doing sports.

Peter Višňovský, the new Sales Director of LEXXUS a.s., said: "My goal in the new position is to boost our prominent position between vendors of new housing projects not only on the domestic market but also to expand further to the East. I appreciate the ability to work in such a professional team LEXXUS boasts and I believe I will be able to contribute to the company's continuing growth."

LEXXUS a.s.

LEXXUS a.s. is the largest and most successful Prague-based estate company that has operated in the real-estate market since the beginning of 1990s. First it began offering sales of luxury properties, relocation services and estate hire services followed. Since 2002, the company established its LEXXUS New Home Center department to venture into the area of new apartment projects. At the same time it created LEXXUS Research department that evaluates the estate market and collaborates with developers on project preparations. Success of the company stems from its professional team of knowledgeable workers and comprehensive customer services spanning project preparation, purchase agreement signing and apartment handover. The company's offices are based in the beautiful Rieves from Stallburk Palace with sales area over 1000 m². Since 2004, the company has also operated on Slovak real-estate market. Further expansions to Central and Eastern European metropolises are in works.

LEXXUS a.s. has turned out surveys for: Ballymore Properties for its Statenický mlýn and Eurovea projects, AFI Europe for its Tulipa Rokytka and Tulipa Modřanská rokle projects, Europolis for its River City project, PPF for its Bášť project, J&T for Jeseniova project and numerous others. Its consulting services are used by: ICKM, MCA, Hochtief, ING Real Estate, Lordship real Estate and Czech Property Investments.
